[www.edlc.co.uk](http://www.edlc.co.uk)

The Arts & Events Programme is always keen to hear from creative facilitators/artists/tutors. Looking for flexible collaborative/employment. With additional support/experience provided throughout each opportunity/contract you take on. Some of our tutors/artists work up to 32wks of the year. Others deliver one course a year. It's what time you have that fits with our programme.

Our aim is to expose as many people to creative learning within a fun/social environment held within one of our venues.

Our database holds the contact details of creative facilitators/artists/tutors. When a new programme or opportunity is being developed. An opportunity email with some information included will be sent out. It is at this point you have the option to respond. If you are interested and or the dates could fit with your other commitments. We then begin to plan what when and how long for.

If this still sounds like something you would be interested in exploring. Please contact via the webmail [culture@eastdunbarton.gov.uk](mailto:culture@eastdunbarton.gov.uk)

The Arts & Events Programme aims to support artists through opportunities to help maintain their core creative practice.
