ALLANDER LEISURE & DAY CARE CENTRE

CONSTRUCTION UPDATE

Since our previous newsletter we have continued to make good progress with the building envelope works, pool tank construction and the ground floor slab. These elements will in turn allow the fit-out works to commence Oct/Nov.

SOCIAL VALUE

The McLaughlin & Harvey team took part in the Kiltwalk on Sunday 26th September and raised £1,525 in aid of Action for Children - a UK children's charity created to help vulnerable children, young people and their families. The charity operates several support services in East Dunbartonshire.

We recently took part in a virtual career's presentation for Lenzie Academy, in which some of our trainees spoke about the path that led them to their career today. The aim was to support the promotion of careers in construction.
