

Cultural Services: Arts & Events Programme

Freelance Tutor/Artist Database

culture@eastdunbarton.gov.uk

www.edlc.co.uk

Looking for flexible collaborative/employment opportunity? Our Arts & Events Programme at East Dunbartonshire Leisure and Culture Trust is always keen to hear from creative facilitators/artists/tutors. We work with tutors from a range of arts backgrounds who deliver on a flexible basis from one off workshops, or up to 30 weeks of the year. It's up to you what suits best and we are always keen to hear ideas which spark creativity and learning for our participants. We can provide additional support/experience throughout each opportunity/contract you take on with us.

Our aim is to expose as many people to creative learning within a fun/social environment held within one of our venues across East Dunbartonshire

Our general arrangement is: When a new programme or opportunity is being developed at EDLC, we send out an opportunity email to our tutor database with information included on our programme goals. It is at this point you have the option to respond. If you are interested and or the dates fit with your other commitments we work together to plan the what, when, where and how long for details.

If this sounds like something you would be interested in exploring, please contact via the webmail address: culture@eastdunbarton.gov.uk

Include your CV, outlining your creative skills/arts practice and tutor experience and we can begin a chat about being included on our creative tutor database.

The Arts & Events Programme aims to support artists through opportunities to help maintain their core creative practice.
